

AAUW-Bethlehem Scholarship Application for Female High School Seniors

The American Association of University Women (AAUW) is the largest and oldest national organization of women who are college graduates. AAUW promotes education and equity for women and girls. In recognition of AAUW's long-standing support for public education, The Bethlehem Branch Scholarship Program celebrates outstanding achievement in an educational setting by awarding scholarships to area high school senior girls. The scholarship amount which we are able to award is dependent on the money earned at our annual used Book Fair which takes place each April, and is typically a minimum of \$1,000 per recipient.

Our guidelines for awarding scholarships are:

1. Female senior must be in the top 25 percent of her class.
2. She must have applied to an accredited four-year or two-year college with the intent of earning a degree.
3. Applicant must be a US citizen or legal resident of the Bethlehem Area or the Allentown School District and attend either Liberty High School, Freedom High School, William Allen High School or Louis E. Dieruff High School.
4. The Scholarship Award is based on the following criteria and demonstrated promise of academic success:
 - a. GPA
 - b. Class rank
 - c. Demonstrated financial need (EFC, estimated family contribution)
 - d. Extra-curricular activities
 - e. An informal interview with the Scholarship Committee
5. The Scholarship Committee will decide how the money is awarded.
6. Scholarship Awards will be distributed upon receipt of proof of paid tuition.
7. If a scholar recipient does not use the funds awarded to her, the money will be used at the discretion of the Scholarship Committee.
